DESCRIPTION

LOCATION

Located right in the centre of Lisbon, the Heritage Avenida Liberdade provides easy access to all of Lisbon, a great spot for guests to truly discover Lisbon.

Situated on the exclusive Avenida da Liberdade, Lisbon's main boulevard. The main avenue of the city made famous for being one of the most luxurious shopping streets in Europe. The hotel is just four miles from the airport and a short walk to the Rossio railway station, an attraction in its own right.

ABOUT THE HOTEL

The Heritage Avenida Liberdade stands out against the rest of the city, because behind its powder-blue, 18th Century façade lies a bridge between modernity and the past. Restored by famous architect Miguel Câncio Martins, the purpose of the rehabilitation was to keep as many original elements as possible in both the exterior and interior, from the wooden main door to the antique furniture. The vintage style of this hotel can be enjoyed by all age groups.

A complimentary breakfast buffet is served to all guests, and a 24-hour room service is available for guests to order light meals and snacks. The Hotel bar offers a vast selection of Portuguese wines with a complimentary port each night for guests.
