ITINERARY

FROM LONDON HEATHROW:

(for the Manchester itinerary please see below)

DAY 1 - DEPARTURE – Depart from London Heathrow Airport on your TAP Portugal direct service to Lisbon. After collecting your luggage, transfer from the airport to your hotel. Evening at leisure.

DAY 2 – This morning, enjoy a guided excursion only a short drive away from Lisbon. First you will pass Belém for a quick photo stop. This area of Lisbon most clearly evokes Portugal's era of Discovery and maritime expansion. It was from Belém that caravels would depart and arrive throughout the 15th and the 16th centuries. Next, through the village of **Sintra**, located right in the central western coast. With its rich history and most exquisite natural and architectural sites in the country, Sintra has been a part of the UNESCO World Heritage since 1995. Following some free time (perhaps for a quick lunch) return to Lisbon for a unique workshop experience of **making Pastel de Nata**, the World-famous Portuguese custard tarts. You will learn the whole process from scratch, including the tricks, from professional chefs and have fun while making your own sweet treats. In the afternoon transfer back to your hotel for a free evening.

DAY 3 – Today is time for you to discover the many faces and the heritage of the Portuguese capital on your own.

DAY 4 – LISBON/MADEIRA – Transfer to the airport and departure from Lisbon on your TAP Portugal flight to Madeira Island, arriving later the same day. Transfer from the airport to your hotel.

DAY 5 - Today is yours to explore or relax... Perhaps you might wish to check out our selection of optional tours.

DAY 6 - FUNCHAL DISCOVERY & BOAT TRIP

Following breakfast, enjoy a full-day tour of Funchal and the area, without a doubt, a genuinely excellent introduction to the island's capital. Start with a visit to the **Botanical Garden**. Walk through its cobbled pathways, admire the variety of flora and take in the fabulous view over the town. Next, we drive up to the **Village of Monte** for a little visit and for a ride on cable car down to Funchal city centre. Pass by the old town and visit the **Farmers Market**, where you can discover the display of sub-tropical fruits, vegetables, flowers and fish. Take the chance to admire the local farmers and women wearing the typical local dress. For a perfect ending to the tour, we will guide you through the city, passing by the **Sé Cathedral**. We will then walk along the central promenade of Avenida Arriaga towards one of the oldest working wine lodges in Funchal – the Caves of "São Francisco", and **sample some of the Madeira wine** produced here. Lunch is included at a local restaurant in the Marina. After lunch, enjoy a relaxing **boat trip** in the afternoon, with the possibility to watch dolphins in their natural habitat. At end of the day return to your hotel.

DAY 7 & 8 - Enjoy these days of your holiday at your own leisure. We recommend joining some optional activities, exploring the shopping opportunities, or the island of Porto Santo, before continuing with your discoveries of Madeira.

DAY 9 - EAST ISLAND TOUR

This morning, begin your full-day tour to the east of the island to admire the stunning scenery. Along the way, see the endless **Laurissilva forest**, a Nature World Heritage Site, before arriving at the town of **Santana**, home to the remaining triangular shaped thatched roof houses. Time for a 1-hour, comfortable, flat **Levada walk**. Enjoy lunch arranged for you at a local restaurant, with awe-inspiring views, and delight at the serenity of the East. Finally, in the afternoon, we will visit the place where the settlers first set foot in Madeira, its former capital town, the charming **Machico**. Return to Funchal for an evening at leisure.

DAY 10 - Have one more free day to truly indulge in all the beauties this volcanic island has to offer, before heading home.
