OUR OPINION

Certainly, a terrific choice of accommodation while in Faial/Velas. Rooms are of high standards, with an array of high-quality services and facilities. The Hotel offers a splendid environment with gardens, pool, and an Ocean view that portrays the beauty of Pico Island. The footpaths give easy and fast access around the area; however, they are not wheelchair accessible. Having that quick path to the city centre just makes it such a great place to be, whether it's a short or a long stay.
