DESCRIPTION

LOCATION

The Mediterranean Hotel is set on the island's most privileged location, in the heart of Rhodes' most popular sandy beach "Elli". ABOUT THE HOTEL

Perfectly positioned, the hotel is one of the very few hotels of the island that has the benefit of allowing those who seek to take advantage of the city life or explore the attractions of the Medieval Town, with the comforts and holistic hospitality provided by a first-class hotel on the beach front.

With 241 spacious and elegantly furnished suites and guest rooms, most of which offer outstanding views of the beach and the blue Aegean Sea. All rooms provide superb comfort: en-suite bathrooms, private balcony, air conditioning, direct dial telephone, Wi-Fi access, fully stocked mini-bar, 24-hours room service and a safe deposit box.

OUR OPINION

The Mediterranean has been one of the most prestigious hotels in Rhodes ever since its opening. Its excellent location, spacious rooms and superb service really makes it a unique place to stay. One of the best in its category, allowing to combine sightseeing and a perfect beach holiday, whilst still being in the proximity of the capital city of Rhodes, both the nearby New Town and the old Medieval Town. The hotel is in an excellent condition; however, it isn't renewed according to nowadays design & trends yet.
